### LOCATION:

**The Vermont Police Academy, Main Building**  
317 Academy Rd, Pittsford, VT 05763

The Voices of St. Joseph's Orphanage project documents the experiences of children who lived at the Burlington institution between 1854 and 1974. Through survivor testimony, historical records, and community collaboration, the exhibition highlights both the harm endured by former residents and their ongoing work to promote healing, accountability, and stronger protections for vulnerable children in Vermont.
